

Meet your teacher

Mrs. Neville

Welcome!

Hello! I am Mrs. Neville and I am going to be one of your new Reception teachers when you join Headlands Primary School in September. I can't wait to meet you and watch you learn and grow.

All about me

I first started teaching in London and moved to York in 2000. I have worked at Headlands Primary School for over ten years. I love travelling around the world and enjoy visiting different countries to experience the varying cultures. I also like going on long walks in the countryside, sitting and reading a good book or going to the theatre to watch a show. Friends and family also play a very big part in my life!
