

Help your child with

# maths

## I spy

...make a game of spotting shape and patterns in real life

## Get tools

...make tools like rulers, weighing scales, calculators and measuring tapes easily accessible around the house.

## Use games

...encourage games such as card games or board games that involve counting or patterns.

## Cook up a storm

...use measuring out ingredients to reinforce maths skills.

## Ask questions

...ask questions comparing real life things. Which do you think is.... the tallest, the smallest, the heaviest, the longest, the fastest, the most expensive?

## Talk about it

...find out what skills are being taught in maths lessons and for homework. Be sure to ask about how answers were worked out!

## Go online

...look online & in app stores for appropriate number and problem-solving games.

## Out and about

When shopping count up the shopping and count out change together.

**Involve maths in everyday life.**

Money, cooking, music, computers, art, construction etc...

**any real life situation!**
