

## Headlands Primary School: Monday 29<sup>th</sup> April 2024

### Attendance

Good attendance is extremely important to enable your child to learn and achieve. Being in school every day allows consistency in their learning and helps them develop confidence and friendships.

Last term the school had an overall attendance figure of 95.85% which remains above the National figure of 94% for State funded Primary Schools.

Encouraging and promoting good attendance is important for your child's wellbeing as well as academic development.
