Wild Gardening Club – 'Pollinator Patrol' Years 1 + 2

Dear Parents / Carers,

Wild Gardening Club – where we work on various projects around the school grounds – is back! We will be using simple tools under adult supervision and trying out skills such as scything and planting. The focus will be on creating good habitats for pollinators. Any spare/unwanted supplies from home are very welcome!

The club will run on ***Mondays after school till 4:30 pm.*** If your child has an interest in doing gardening club this school year, please fill in the form below. Every child will have a chance to do the club throughout the year. You will receive a text message when your child has a place.

First club will run until Christmas, **starting on Monday 9th September, last session on 16th December.** Primary contact registered parent will receive a text message to confirm child's place in the first group until December. Next group will run in Spring term.

Children will need to bring in rough trousers and wellies and either a coat or sunhat depending on the weather. Please do not dress in anything you or your child would be upset about getting dirty.

When the club finishes, please arrive on time. Dismissal will be the same as the usual end of the school day. Parents will wait at the infant gate to collect their child(ren).

Many thanks,
Mr. Mulholland

Please reply by 10am on Friday 6th Sept using this electronic form:

<https://forms.office.com/e/wqwizmcZBR>

Those without a parental response will not be able to take part.
