Wild Gardening Club – ‘Habitat Heroes’ Years 3 + 4

Dear Parents / Carers,

Wild Gardening Club – where we work on various projects around the school grounds – is back! We will be using simple tools under adult supervision and trying out skills such as hedging and planting. The focus will be on creating a peaceful area around the school pond for humans and animals to share. Any spare/unwanted supplies from home are very welcome!

The club will run on **Tuesdays after school till 4:30 pm**. If your child has an interest in doing gardening club this school year, please fill in the form below. Every child will have a chance to do the club throughout the year. You will receive a text message when your child has a place.

First club will run until Christmas **starting on Tuesday 10th September, last session on the 17th December**.

Primary contact registered parent will receive a text message to confirm child's place in the first group until December. Next group will run in Spring term.

Children will need to bring in rough trousers and wellies and a coat or a sunhat, depending on the weather. Please do not dress in anything you or your child would be upset about getting dirty.

When the club finishes, please arrive on time. Dismissal will be the same as the usual end of the school day. Parents will wait at the infant gate to collect their child(ren).

Many thanks,
Mr. Mulholland

Please reply by Friday 6th Sept using this electronic form:

<https://forms.office.com/e/wqwizmcZBR>

Those without a parental response will not be able to take part.
