Tuesday 24th September 2024

Dear Parent/Carer,

As part of our ongoing efforts to provide enriching experiences for the children at Headlands School, we are reaching out to see if any parents/carers possess a particular creative skillset and would be willing to inspire the children.

Whether your expertise is in drawing, painting, graphic design, sculpture, textiles, or any other form of visual creativity, we would love to invite you into school on a voluntary basis to lead a session and inspire our students. This is a fantastic opportunity for them to learn from someone with passion and talent while encouraging their creativity and imagination.

If you are interested or would like to learn more about how you could get involved, please email the school office with details of your creative background and availability. Please also state your preferred year group. We will work with you to arrange a session that suits both your schedule and the school's needs. As you would be working with children, we would require an Enhanced DBS check to be undertaken.

Thank you for your continued support, and we look forward to hearing from you!

Warm regards
Miss Welch
