City of York Council Pedestrian Training

Dear Parents/Carers,

To ensure the safety of your children when crossing the road, we have organised two sessions of pedestrian training to take place on **Thursday 7th November**. The City of York Council safety team will lead the sessions.

Pedestrian Training is carried out during school hours on roads near the school. Pupils are taken outside in groups and are taught a simple plan for crossing roads. Children may also be shown how to use zebra crossings; pelican, puffin, and toucan crossings; pedestrian facilities at traffic light controlled junctions and pedestrian islands, if any of these are close to the school.

During training your child will be supplied with a high visibility vest for their safety. We would also request that you ensure they have appropriate clothing for the weather conditions. **Training will only be cancelled if the trainers feel it is unsafe due to weather conditions.**

If you have any questions or concerns, please contact your class teacher.

Thank you for your continued support.

The Y3/4 Team
