Bugs for books: Children voting for the books for school

Thank you for supporting our 'Books for Bugs' book fair.

From the funds raised we are now able to choose some free books for school. Each class will vote on a new book that they would like. The library crew will pop into each class this week to carry out the voting.

Jump start January!

We are encouraging everyone to make healthy food choices and eat more fruit and vegetables in 2025 with our 'Jump start January' promotion.

Mellors Catering are running a competition in which we have a chance to win **free** fruit and vegetables for the school to enjoy. YUMMY!

The colouring competition will be sent home this week for all children in EYFS and KS1, and will be available to collect from the dining hall for any interested KS2 children. These must be handed in to the School cook by Friday 24th January. The best from each year group will receive a prize. Good luck!

What do I do if my child is unwell?

We have children at school who are immune suppressed and therefore greatly appreciate you informing school regarding; chickenpox, measles, shingles, slapped cheek and Scarlett fever.

If your child has a high temperature, please keep them at home until they are well.
