Wild Gardening Club – Years 5 + 6

Dear Parents / Carers,

Wild Gardening Club – where we work on various projects around the school grounds – is back! We will be using simple tools under adult supervision to help get our outdoor areas ship shape and nature friendly.

The club will run on **Wednesdays after school till 4:30 pm. First week 5th March, last week final week of Spring term.** After the Easter Holiday the theme of the club will change and a new letter will be sent out.

The parent listed as 'primary contact' will receive a text message if your child has a place.

Children will need to bring in rough trousers and wellies and a coat or a sunhat, depending on the weather. Please do not dress in anything you or your child would be upset about getting dirty.

Dismissal will be the same as the usual end of the school day. Parents will wait at the infant gate to collect their child(ren). If you want your child to walk home alone please make sure you have indicated on the club form.

Many thanks,
Mr. Mulholland
