

Headlands Primary School: Monday 3rd March 2025

Join us for a school lunch and celebrate Shrove Tuesday!

Tuesday 4th March is Shrove Tuesday and we will be celebrating with pancakes and a delicious array of yummy toppings.

Book your school dinner to enjoy the delicious treats.

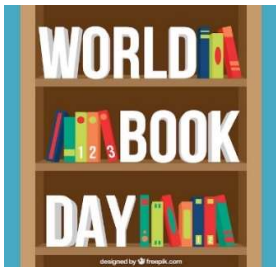

Spring Term Parents evening appointments

We look forward to seeing you all at our Parents Evening appointments.

Please enter through the main entrance and arrive 5 minutes before your appointment time to view your child's books in year 1-6.

World Book Day Thursday 6th March 2025

We are looking forward to Thursday which is our special day in celebrating World Book Day.

This year's theme is '**Read Your Way**'. Throughout the day, the children will be doing lots of fun activities to celebrate reading and to think about what reading means to them.

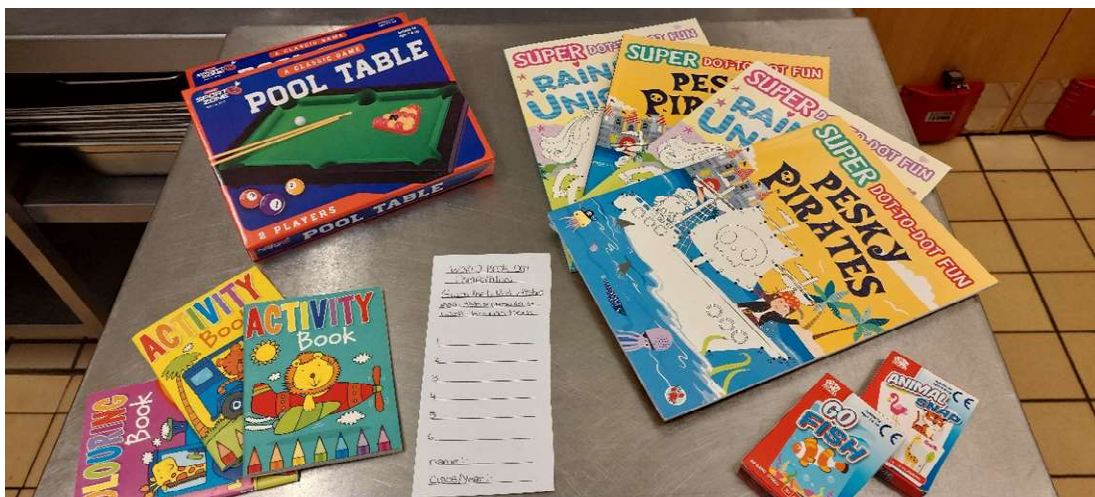

As part of our celebrations, we would like to invite children to bring in a favourite book from home and to '**Dress Your Way**' for the day. Children are welcome to come to school dressed in outfits they like to read in. This may be; their normal school uniform, pyjamas, comfy clothes, loungewear or a costume they like to wear!

We hope that children will have a fantastic day full of stories and fun. Thank you in advance for your support with our World Book Day celebrations.

Special School Lunch to celebrate World Book Day!

Stop to lunch this Thursday- its competition time again! Guess the book from looking at the clues in the dinner hall. Fantastic prizes on offer! Good luck 😊

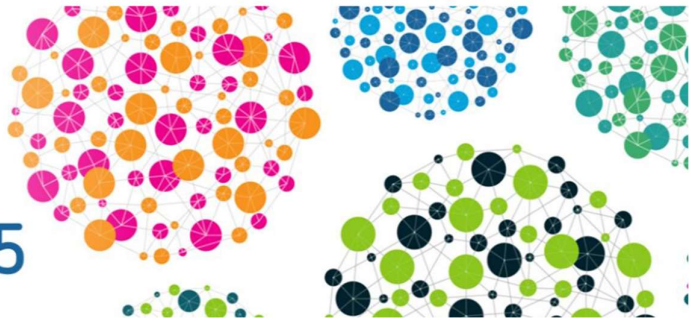

Next week is Science Week!

7 - 16 March

BRITISH
SCIENCE
WEEK 2025

Next week, as part of Science Week, all students will take part in special science lessons aimed at sparking their interest and engaging them in scientific exploration. This year's theme is 'Change and Adapt.'

Our learning will kick off with a live-streamed lesson on Friday, March 7th, from the STEM Hub online, titled "Unique Adaptations: Discover How Creatures Adapt to Habitat Changes."

Throughout Science Week, students will explore various topics connected to the theme, including animal adaptations and the impact of climate change.

Thank you to Mrs Fowler for leading science across the school and teaching staff for organising these special lessons.
