

Pupil Premium Strategy 2018-2019

This premium is additional funding for publicly funded schools in England to raise the attainment of disadvantaged pupils of all abilities and to close the gaps between them and their peers.

Allocations for the academic year 2018 to 2019 were calculated using the January 2018 school census data of the number of pupils in Reception to Year 6, who were registered as eligible for free school meals in the last 6 years. The current level of funding is £1,320.00 per pupil in Reception to Year 6, £2,300.00 for children in receipt of Pupil Premium Plus, and £300.00 for each service child.

Headlands Primary School received a total of £21,260.00

Money carried forward from previous year= £6,035.69

Total allocation= £27,295.69

Summary of the main barriers to educational achievement faced by eligible pupils

- Home/ School support
- Social and emotional well-being
- Specific physical need
- Financial
- English as an additional language
- Curriculum coverage due to school mobility

How we'll spend the money to address these barriers and the reasons for that approach

- A designated mentor will support an individual pupil and family.
- Provision of an ELSA will promote and provide emotional support to improve well-being.
- Training and deployment of an additional ELSA will increase the schools capacity in supporting emotional well-being.
- Specific resources linked to physical needs of pupils.
- Financial support to ensure inclusion of children in widening learning opportunities.
- Bespoke teaching support to enhance learning.
- Teaching support with a focus on specific gaps in learning.

How we will measure the impact of the pupil premium

- Regular interaction between School, pupils and families.
- Pupil's progress and attainment is monitored by teachers, phase leaders and Pupil Premium Champion at three main data collection points throughout the year and identified actions implemented.
- Review of spending strategy and impact undertaken in July 2019.

Date of the next review of the school's pupil premium strategy: July 2019
