## Year 4 Swimming (Autumn Term 2025)

Dear Parents / Carers,

We are delighted that we have been able to secure York Sport Swimming Pool again for **Year 4 swimming sessions** this coming academic year. This is a super leisure complex and children's half hour lessons will commence on **Thursday 25th September 2025, running for five consecutive weeks.**

The swimming teachers are highly skilled and, during this time, the children will be working towards a water skill award, which includes both swimming and water safety instruction.

The cost of the transport is in total £18 per child (£3.60 per session), of which we would ask for a voluntary contribution to cover these costs. All additional swimming pool hire costs are being met fully by the school.

We are acutely aware of the costs of visits undertaken during the year and are extremely grateful for your financial support enabling these to take place. Children will therefore go swimming once during their time at Headlands; this is in line with DFE recommendations to maximise curriculum time as well as fulfil the Physical Education curriculum.

For children to participate in out of school lessons, we require parent consent and information about their swimming ability. Please:

- Arrange payment via School Money and **give permission** for your child to participate in the Year 4 swimming sessions. You must **tick the consent box in School Money**; this stage does not require payment.
- Fill in the **form about your child's swimming ability**

<https://forms.office.com/e/Rtr6XM8860>

The deadline for payment, consent, and submitting the form is **by Sunday 21<sup>st</sup> September 2025**  
If you have any issues with the School Money website, please contact the school office via email at [headlands.primary@york.gov.uk](mailto:headlands.primary@york.gov.uk)

Many thanks for your continued support,  
Mrs Fowler, Miss Welch, Mrs Bonsey and Miss King Year 3/4 Class teachers
