Wild Gardening Club – 'Habitat Heroes' Years 3 + 4

Dear Parents & Carers,

Wild Gardening Club, where we work on various projects around the school grounds, is back!

We will be using simple tools under adult supervision and trying out skills such as hedging and planting. The focus will be on creating a peaceful area around the school pond for humans and animals to share. Any spare/unwanted supplies from home are very welcome!

The club will run on **Tuesdays after school till 4:30 pm. *If your child has an interest in joining gardening club this school year, please submit the form below.*** Every child will have a chance to join the club throughout the year.

First club will run until Christmas **starting on Tuesday, 9th September, and last session on the 16th December.** Primary contact registered parent will receive a text message to confirm child's place in the first group until December.

Next group will run in Spring term and Summer term. You will receive a text message when your child has a place.

Children will need to bring in rough trousers and wellies and a coat or a sunhat, depending on the weather. Please do not dress in anything you or your child would be upset about getting dirty.

When the club finishes, please arrive on time to collect your child(ren). Dismissal will be the same as usual at the infant gate

Many thanks,
Mr. Mulholland

Please reply by Friday 5th Sept using this electronic form:

<https://forms.office.com/e/eNcqKQOfvM>

Those without a parental response will not be able to take part.
