

Headlands Primary School: Monday 15th September 2025

Vaccination UK

Vaccination UK is attending Headlands Primary to provide flu vaccinations on Thursday 2nd October 2025.

For your child to receive their nasal flu vaccination in school, please complete a **YES** consent form using the **link below**. **The nasal spray is quick, painless and is the most effective option for under 18's.**

If your child **cannot** have the nasal spray, the injectable flu vaccine is available, and you will be able to choose that method on the consent form.

If you **DO NOT** wish for your child to have a flu vaccination, please complete a **NO** consent via the same link.

School Council

It's nearly time for our new School Council elections – and we can't wait to see who will step up to represent their classes this year! In the week beginning 15th September, children will take part in special assemblies to learn what the School Council does and what makes a brilliant council member.

The following week, anyone who would like to be considered will have the chance to stand in front of their class and share why they would be a great choice. In Key Stage Two, children are encouraged to prepare a short persuasive speech to win over their classmates. We'll then hold a class vote to decide who will join the council – and in Year 5/6, we are delighted that one of our school governors and local councillor, Ian Cuthbertson, will be joining us to help with the election process. We're looking for children with exciting ideas, enthusiasm, teamwork skills, and the determination to make our school an even better place!

Your Voice, Your Choice!
