Year 5 & 6 Local Area Walks

Dear Parents & Carers,

We are planning to combine our Friday outdoor learning sessions with our 'Around the World' geography topic and explore our local area for human geographical features.

To do this, each class will walk around our local area during the coming Friday sessions. The classes will do this one at a time over a three week period.

Please ensure your child has a coat with them that day, especially.

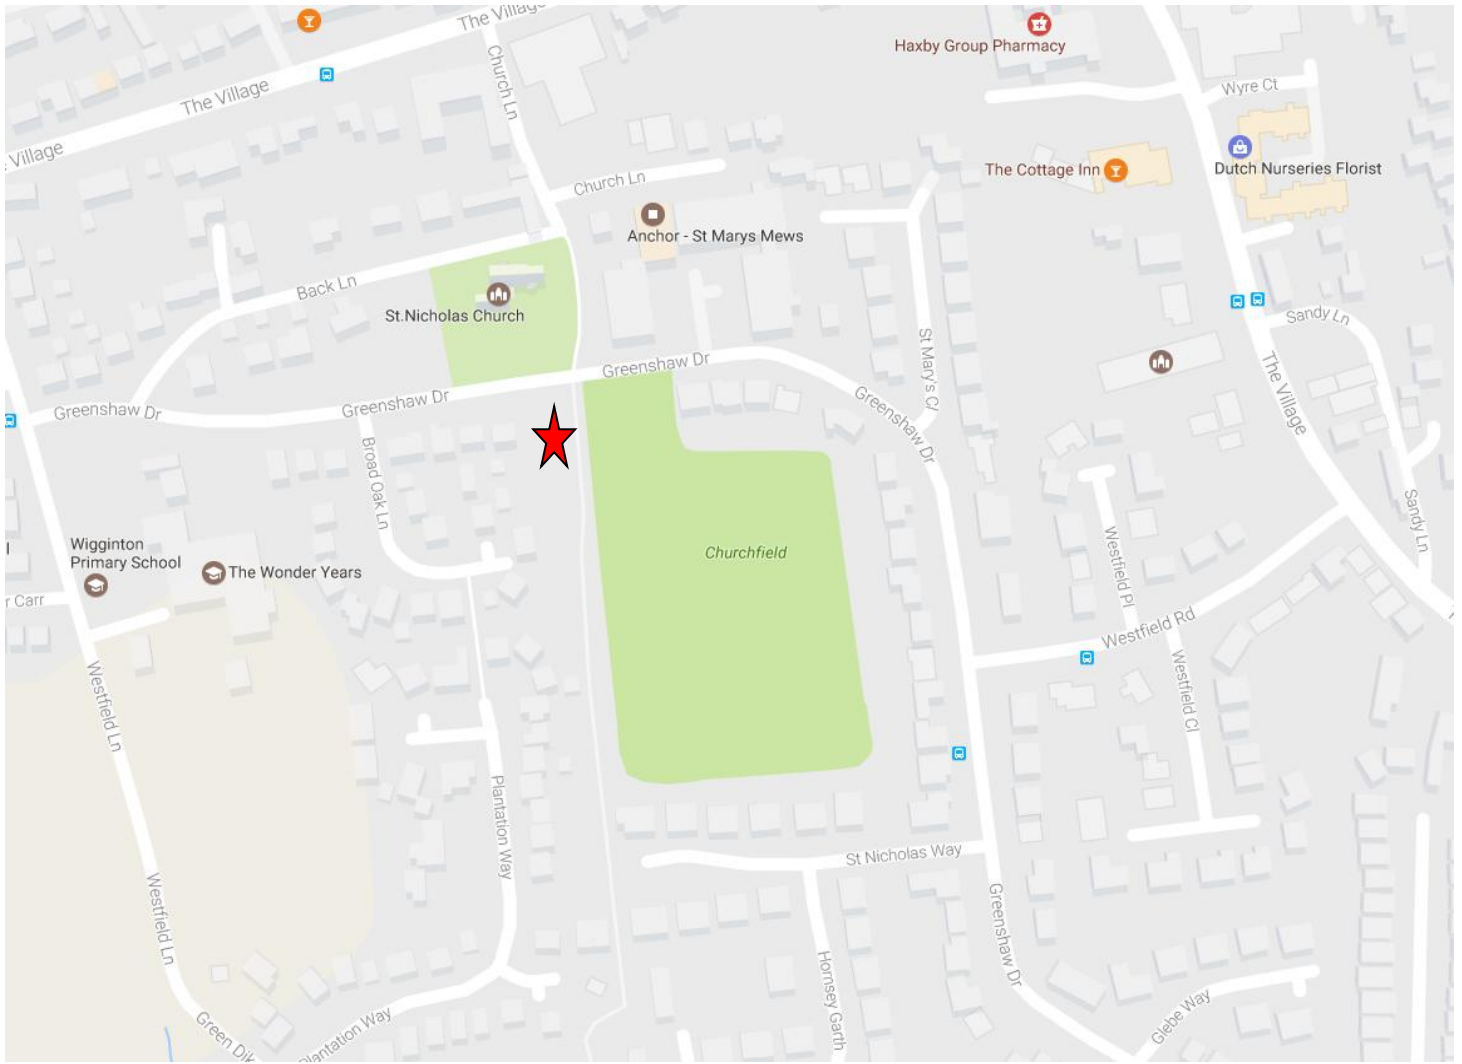

The walk will take place during school hours and will be run by Mr Mulholland. The class teacher will also be present on the walk.

As we require your consent for your child to attend this visit, please may we ask you to complete the required information?

Best Wishes
Mr Mulholland

 We will be planting here.
