Phunky Foods Parent and Child Workshop

Dear Parents and Carers,

We are delighted to be able to offer a Phunky Foods Cooking Workshop for parents and children in Key Stage 1.

The first session will involve making a pizza using fresh ingredients and exploring the Eatwell Guide. The workshop will be led by Hannah Roberts from Phunky Foods, who has already worked with the children in school, delivering assemblies and practical sessions.

The session will take place on Thursday, 27th November, from 3:40pm to 4:30pm.

As places are limited and we expect high demand, please complete and return the **expression of interest form by Friday, 7th November**. Please note that there will be space for only one adult per child, and we cannot accommodate siblings.

I am the teacher overseeing these sessions, so please don't hesitate to get in contact if you have any questions.

We will let parents know if they have a space on the first workshop by the 14th November.

There will also be two further workshops in the Spring and Summer terms, taking place on Thursday 19th March and Thursday 11th June, where we'll be making seasonal recipes. We will send out more information regarding these sessions closer to the time.

Yours faithfully,
Mrs V. Benson
