"Every child should have the opportunity to learn to swim and understand water safety. Swimming is a vital life skill that builds resilience, fosters social connection and keeps young people safe when they are in and around water."

**Tom Dean MBE**

Through the partnership, 1,000 young people who would not otherwise have access to swimming lessons will receive a package of 10 - 12 sessions each. This will help break down the barriers that prevent children from gaining swimming as a life skill.
