## Dear Parents and Carers,

This year, our school community has been thinking about how we can spread kindness and joy to others during the festive season. The children felt strongly that they wanted to do something special for the older members of our local community, especially those who may feel lonely at this time of year.

With this in mind, the children have decided to organise a **Christmas Card Community Giveaway**. Children in school who wish to take part will be designing and creating their own Christmas card, which will then be given to residents at one or more of our local care homes. The children's aim is simple: to help make the residents feel valued, remembered and cared for this Christmas.

Children who wish to take part will bring home a piece of card provided by their class teacher. We kindly ask that the **inside of the card is left blank** and that children do not include their names, to ensure confidentiality for both our pupils and the recipients. A school sticker reading "*Merry Christmas from all the children at Headlands School*" will be added inside each card before it is gifted. Completed cards should be returned to school by **Monday 15th December**, allowing us enough time to prepare and deliver them to the care homes before Christmas.

We are very proud of the children for choosing such a thoughtful and meaningful project and we look forward to spreading a little joy within our community together.

Thank you, as always, for your support.

## Warmest wishes,

Miss Welch

Art-co-ordinator and school council leader
