Monday 5th January 2026

Maths Child and Parent Workshops

Dear Parents and Carers,

Following the success of last year's event, we would like to invite you to a maths child and parents' workshop to have fun with maths and learn more about the number work that we do in school. We hope that each child will bring a parent or grandparent.

The KS1 and KS2 workshops will be held after school at the end of the usual school day from 3:40pm. There are separate times for different year groups. EYFS will send a separate letter.

Monday 26th January at 3.40pm: Y5/6
Tuesday 27th January at 3.40pm: Y3/4
Wednesday 28th January at 3.40pm: Y1/2

Please enter through the main school entrance.

We anticipate that each child will bring one adult with a maximum of three seats being allowed per booking. These will need to be requested online, as the capacity will be limited. All workshops will last around 30-40 minutes. Please request a place for each person attending with you (including for children). It will not be possible for children to attend unaccompanied. Additional adults or siblings will need to have a booked seat.

Please complete this form to request your seats by **Sunday, 11th January** for **your child's Maths Workshop. One form should be completed per child.**

[Maths Child and Parent Workshops – Fill in form](#)

Please note that there will be no admittance without having completed this form. Please presume that you have been allocated the requested seats unless you hear otherwise.

We anticipate that the workshop will be a lovely way to share and celebrate the love of maths!

Best wishes,
Diane Long (Maths Subject Leader).
