# Revision

Use these guides at home:  
These books are to be used in addition to projects/normal homework.

Use little and often!

If children miss a maths lesson, there are videos that they can watch to catch up (saved on the website).

# Teacher Assessment

All schools must assess children against a set of criteria for writing.

Reading, GPS and Maths are *only* assessed (at the end of the year) through their KS2 SATs.

## Well-being

- Try to keep children as relaxed as possible during test week whilst making sure that they are prepared.
- We invite children in at 8:40 for a second breakfast (fruit and juice).
- Try not to put too much pressure on the children.

## Intervention

Various intervention groups will be set up for children who are not on track to meet their target.

These sessions will be short bursts of 20-30 minutes in a morning or afternoon.

Please help us to maintain a positive attitude towards these groups as they are often very successful.
