Phunky Foods Workshop – A Big Thank You!

Mrs. Benson would like to extend a heartfelt thank you to all the KS1 children and their adults who joined us for the second Phunky Foods workshop on Thursday 19th March.

It was wonderful to see everyone having fun while learning how to make delicious shortbread biscuits and discovering how the different elements of the *Eatwell Plate* can be incorporated into everyday meals.

We hope you enjoyed the experience as much as we did! Keep an eye out for details of our next workshop coming later in the summer term.

The school newspaper will be on sale this week, priced 50p

Could you be a Parent Advocate?

Help Us To Support Parents When They Need It Most

Could you empower other parents to speak up and be heard when they are at their most vulnerable?

Do you have personal experience of Children's Social Care Services, either as a parent or a supportive family member?

Could you draw on your own experience to help others to navigate the Child Protection Process?

The City of York Council Volunteer Service is launching a new volunteer role for individuals with personal experience of Children's Social Care Services. Parent Advocates will provide practical and emotional support to parents navigating the child protection process to help them feel empowered and heard.

We need volunteers who can bring first-hand experience as someone who has engaged with Children's Services. They will need to be non-judgemental and empathetic with strong listening and communication skills.

Full training will be provided alongside regular support and supervision from an assigned Volunteer Officer. All costs will be reimbursed and volunteers will be part of a supportive community of fellow Parent Advocates. Volunteering will be flexible to ensure it fits around parents' busy lives. We will ask for an initial commitment of approx. 3-6 hours per month.

Get in touch with the Volunteer Team today by emailing volunteer@york.gov.uk or call us on 07542 510430
