Transition and September 2026 Class Lists

Here are the class arrangements for September 2026:

- Children currently in EYFS, will move together into a Year 1 class with Mr Park.
- Children currently in Year 1, will be taught together by Mrs Benson/ Mrs Johnson.
- Children currently in Year 2 will be given the opportunity to 'mix up' and formulate three new groupings. They will join our current Year 3/4 classes.
- Children currently in Year 3 will remain in their current allocated class with their class teacher.
- Children currently in Year 4 will be given the opportunity to 'mix up' and formulate three new groupings. They will join our current Year 5/6 classes.
- Children currently in Year 5 will remain in their current allocated class with their class teacher.

To help in the process of formulating these classes for September 2026, we will be asking **Year 2 and Year 4 only** to 'choose 3 children within their year group that they would like to be with next year' during this week. We will endeavour to place them with at least one child from their list.

On Wednesday 1st July we will undertake our whole school 'Transition Day'. This will provide the children with an opportunity to work with their class teacher and new class for September 2026. The children will register with their current class as normal and then move to their new class. Lunchtime arrangements will remain the same. They will then return to their present class at 2.30pm ready for normal end of the day procedures. We hope that they will enjoy their day and become excited and confident about moving forward into the new academic year. Following this transition day, a formal letter will be sent home confirming the class lists for September 2026.

PTA Gift Room: Monday 15th June

The PTA will be running a Father's or 'special people in our lives' gift room. They will be in school on the morning of Monday 15th June. There will be a selection of gifts available ranging from £1 - £5. Children can choose a bundle of gifts for £5.

Payment may be made through BACS or cash on the day. Please find the BACS details below and remember to include your child's name.

Class Photographs

The photographers have now confirmed that they will be visiting Headlands on Thursday 11th June for class and team photographs.

Water Safety Assemblies: Monday 15th June

As part of Drowning Prevention Week, we are pleased to welcome Better, in conjunction with York Leisure, into school on Monday 15th June to deliver water safety assemblies for children in EYFS, Key Stage 1 and Key Stage 2. The assemblies will help raise awareness of real-life water dangers, teach simple and practical safety rules, build children's confidence around water in a safe and responsible way, and encourage good decision-making and risk awareness. We look forward to providing our pupils with this important and potentially life-saving learning opportunity.

Exciting playground renovations.

We have been saving up to undertake renovations to the Key Stage Two playground equipment which have been out of bounds for a long time. The work will commence over the coming weeks and the children are excited at the prospect of being able to enjoy this play provision.

After 10 years of dedicated service in providing excellent lunchtime service to the school, Mrs Debbie Nunn (School Cook) will be retiring at the end of the summer term. The catering company Mellors are in the process of recruiting for this role.
