Tuesday 16th June 2026

Dear Parents / Carers

Please note that the Teachers2Parents text messaging system will be discontinued on 27th June.

From this week, we will begin sending text messages via our MIS system, **Arbor**. To ensure a smooth transition and avoid any disruption, both systems will run in parallel for two weeks.

In terms of the Parents App for ordering dinners, this will depend on which version you are currently using:

If you are using the original Teachers2Parents App, there will be no impact. School Money will continue to work as normal, and you will still be able to order dinners without any interruption.

If you are using the newer Eduspot App, there may be some issues around the date of cancellation.

If you experience any problems with text messages or Parent App, please let us know by emailing [headlands.primary@york.gov.uk](mailto:headlands.primary@york.gov.uk)

Thank you for your understanding and support.

Best wishes,  
School Office
