

Dear Parent/Carer/Guardian

Today your child attended York Crucial Crew event hosted by North Yorkshire Police.

We hope they learnt lots of useful information about ways to keep themselves safe from the different agency's that attended and supported us, those agencies were as follows.

- **Fire Safety** – How to keep safe at home with a Home Fire Safety scenario, delivered by North Yorkshire Fire & Rescue Service (NYFRS) - If you would like to know more about how to keep yourself safe from fire you can do our FREE Online Home Fire Safety Check by visiting - www.safelincs.co.uk/hfsc. If nothing else, please remember to check your smoke alarm is working by testing it once a month.
- **York Rescue Boat - Water Safety** - Keeping safe in and around water.
- **Public Health – Vaping and Smoking** – York Health Trainer team looking at the dangers of vaping and smoking and how to respond to peer pressure.
- **North Yorkshire Police - Internet Safety** – Identifying the risks associated with internet access and mobile devices, and looking at ways young people can keep themselves safe.
- **Road Safety** – City of York council road safety team delivered an interactive workshop focusing on in car safety and general road safety. As well as thought provoking videos to reinforce the messages and show the consequences of poor decision making on the roads.
- **IDAS** – Domestic abuse service – Discussing what is a healthy relationship.

If you would like any other information on either the services listed above or about what was taught, please contact them directly.

Kind regards

PCSO Laura Harper
