Thursday 16th July 2026

Dear Parents / Carers

Medication Collection

We are sending all medications home for the summer holidays.

Please collect your child's medication from the school office between 8.30- 9.15am and 3.15- 3.45pm. For safety reasons, medications can only be collected by an adult.

Please bring a fresh supply of medication in September. You will need to complete a new medication form when it is brought in.

Important Medical Information for September

The Department for Education's new statutory guidance, Allergy Safety in Schools, will come into force across England, introducing strengthened protections for children and young people living with allergies.

As a result, we will require up-to-date medical documentation for any child with a medical condition from September onwards. If your child sees a specialist over the summer, please ask for the most recent clinic letter, care plan, or medical report relating to their condition and provide a copy to the school at the start of the new academic year.

Thank you for your cooperation and support.

Best wishes
Headlands Primary School
