Year 4 Swimming (Autumn Term 2026)

Dear Parents / Carers,

We are delighted that we have been able to secure York Sport Swimming Pool again for **Year 4 swimming sessions** this coming academic year. This is a super leisure complex and children's half hour lessons will commence on **Monday 9th November 2026, running for five consecutive sessions**. The swimming teachers are highly skilled and, during this time, the children will be working towards a water skill award, which includes both swimming and water safety instruction.

The cost of the transport is **£19 per child**, and so we ask for a voluntary contribution to cover these costs. Please arrange payment for this via School Money.

We need your permission for your child to participate in the Year 4 swimming sessions, please **tick the consent box** on School Money; this stage does not require payment.

The deadline for both payment and consent is **Sunday 18th October**. If you have any issues with, or questions about, the School Money website, please contact the school office at headlands.primary@york.gov.uk.

To organise the sessions effectively, we will need information about your child's swimming ability. Please fill in the form **by Sunday 18th October**.

[Headlands Primary School Year 4 Swimming Lessons 2026 Autumn Term Swimming Ability – Fill in form](#)

We are acutely aware of the costs of visits undertaken during the year and are extremely grateful for your financial support enabling these to take place. Children go swimming once during their time at Headlands; this is in line with DfE recommendations to maximise curriculum time, as well as fulfil the Physical Education curriculum for primary schools.

Many thanks for your continued support,
Miss Welch, Mrs. Fowler, Mrs. Allington and Miss King
Year 3/4 Class Teachers
