Archaeology Club Years 5 + 6

Dear Parents / Carers,

Years 5 and 6 will have the chance to join Archaeology Club for the next half term. This will be an **indoor club** looking at lots of evidence such as aerial photography and artefacts as well as famous discoveries around the world, and of course, from the York area. (We will get to digging later in the year!)

The club will run on Wednesdays after school till 4:30 pm. **First week 4th November, last week 9th December**. After Christmas, the theme of the club will change and a new letter will be sent out. Every year there is a short anonymous survey that will be brought home by the club members after the first session. Please complete and send back to me by the second meeting as this helps with funding for all YAC groups.

More information about YAC can be found here: https://www.yac-uk.org/

You will receive an email if your child has a place. Year 6s will have priority if the club is oversubscribed.

When the club finishes, please arrive on time. Dismissal will be from the main school door. Please also give extra permission if your child is to walk home alone as it will be darker than the usual home time.

Many thanks
Mr. Mulholland
