

How to write the numeral Zero!

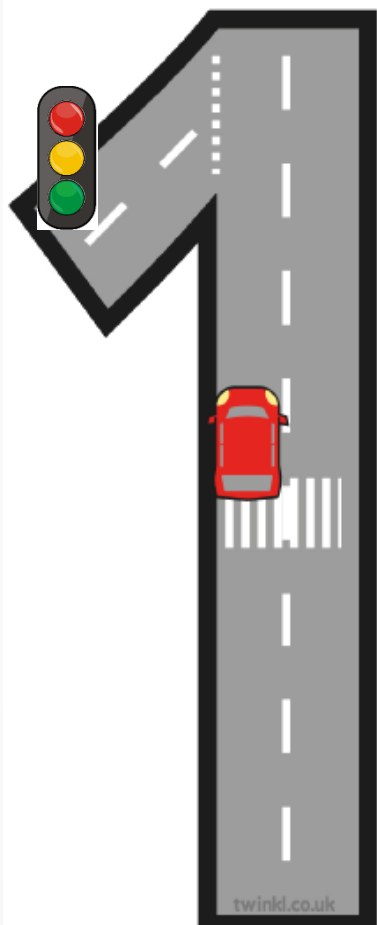

Watch the pencil.

Around and
around and
around we
go until we
a zero.

How to write the numeral One!

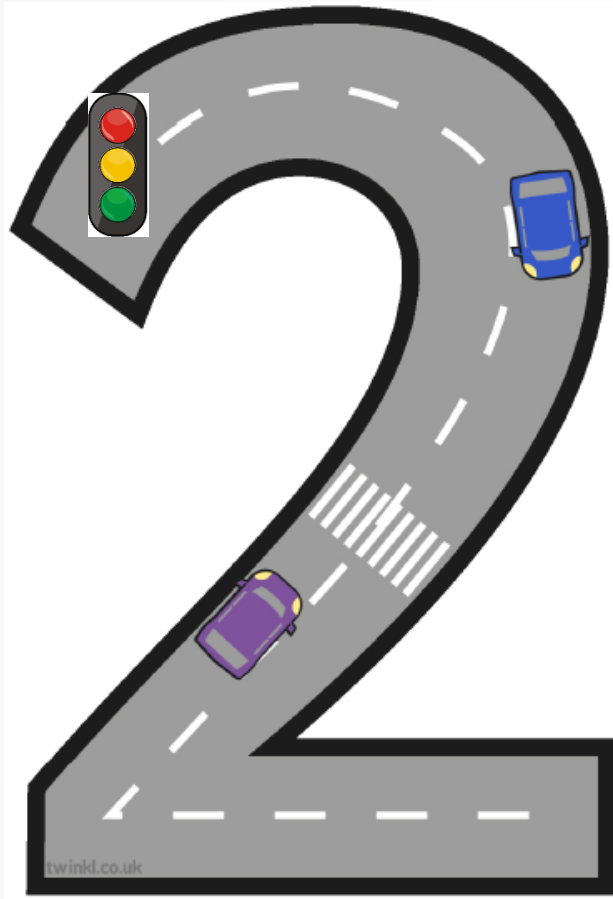

Watch the pencil.

Start at the
top and down
we run, that's
how we write
a number 1.

How to write the numeral Two!

Watch the pencil.

Around the top and back to you, that's how we write a number 2.

How to write the numeral Three!

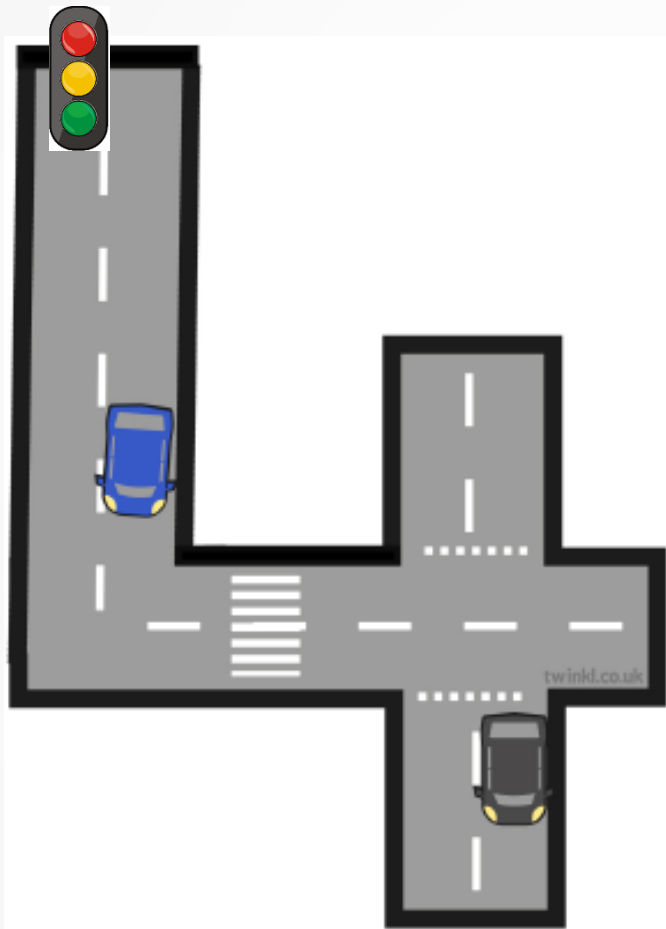

Watch the pencil.

Around the
tree, around
the tree,
that's how
we write a
number 3.

How to write the numeral Four!

Watch the pencil.

Down and
across and
down some
more, that's
how we write
the number 4.

How to write the numeral Five!

Watch the pencil.

Across and
down and
around we
drive, that's
how we write
the number 5.

How to write the numeral Six!

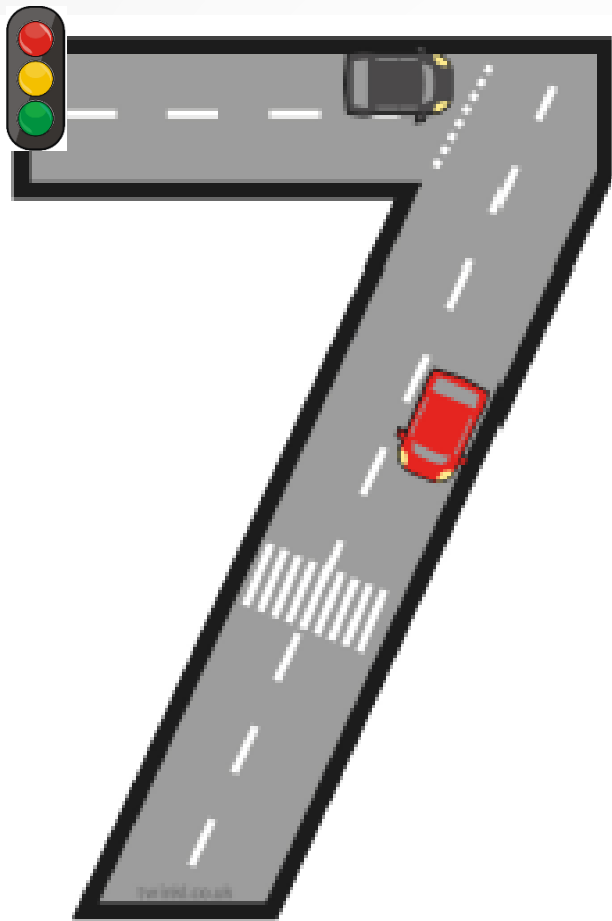

Watch the pencil.

Make a loop
until it sticks,
that's how we
write the
number 6.

How to write the numeral Seven!

Watch the pencil.

Across the sky
and down from
heaven, that's
how we write
the number 7.

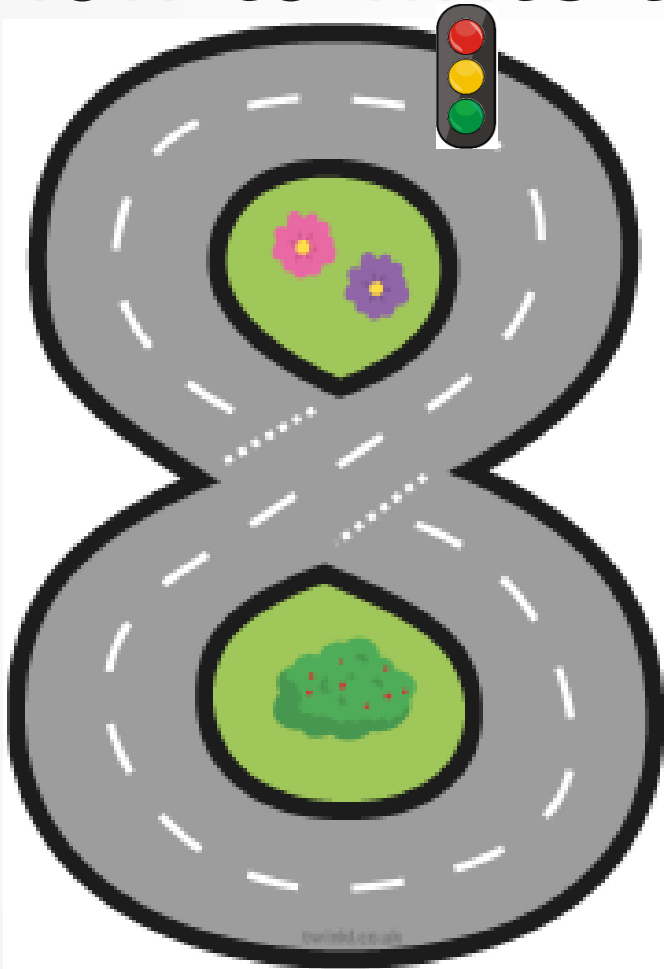

How to write the numeral Eight!

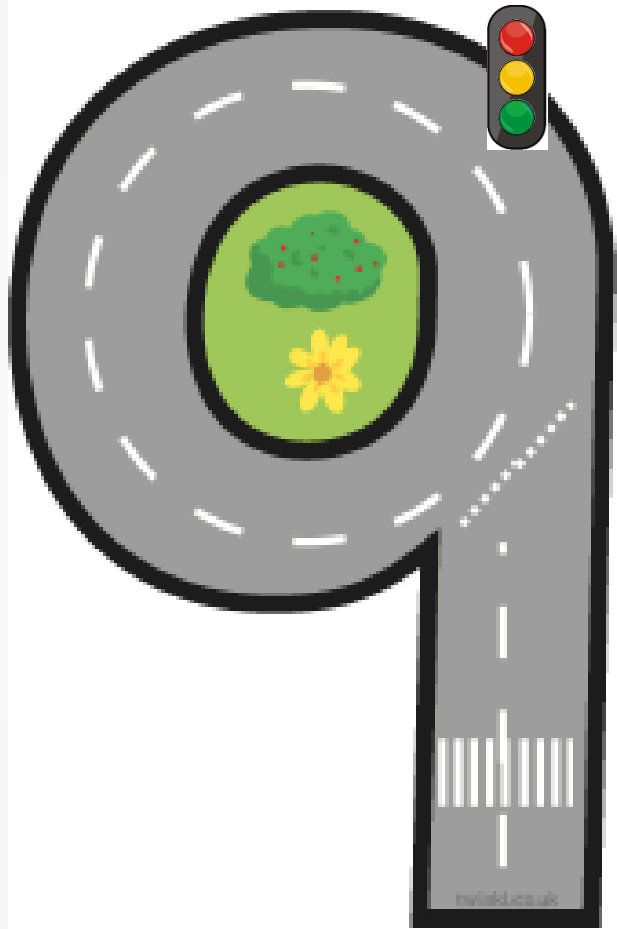

Watch the pencil.

Make a 's' and
do not wait,
join it up, you
have an eight.

How to write the numeral Nine!

Watch the pencil.

Make a loop
and then a line,
that's how we
write the
number 9.

How to write the numeral Ten!

Watch the pencil.

**One block of ten
and nothing more.**

Start at the top and
down we run, that's
how we make the
number one. Around
and around and
around we, that's how
we make a zero.
