

WELCOME TO HEADLANDS PRIMARY SCHOOL PTA!

And welcome new families to the Headlands Community.

We are a friendly group of parents who support the school by raising funds and organising fun events and activities. We like to try and make the children's school experience as much fun as possible, sprinkling a little bit of magic wherever we go!

Even during the last couple of years, we made sure that all of the children got letters from Father Christmas, had the opportunity to help the Easter Bunny find their missing eggs, decorate pumpkins, and plant end of term seeds which were inside cards we sent. Through our fundraising we have helped the school to purchase Chromebooks, outside play equipment, a new sound system for the hall and so many other much needed resources. We also provide all new reception starters with their Headlands Book Bag.

We meet a handful of times throughout the year, to discuss ideas. We are always on the lookout for new members, and completely understand that your time is precious. We are happy to accept as little or as much help as you can give. There are so many ways people can get involved. Please do not hesitate to get in touch if you'd like to join us, or would like some more information. We'd love to hear from you!

Please feel free to message us through the Headlands PTA Facebook or Instagram pages, or alternatively email us headlandsprimarypta@gmail.com
