Dear Parent/Carer,

Re: All About Me Starting School Booklet

Before your child starts school, we would like to know about your child's interests and developmental progress. This will help us to understand what we need to provide for your child to help him/her to settle into the Reception classes.

We would appreciate it if you could complete the enclosed booklet and return it to the school before **Friday 30th June 2023**.

Special People:

Please write down the names of your child's relatives, friends or pets so we can talk about them when your child starts school.

You are welcome to stick photos on the page; please remember to write their relationship to your child.

Things I Like:

Please write down your child's favourite activities, such as 'painting', 'drawing', 'playing football' etc. and any favourite stories and TV characters.

Activities I would like to do in my new Reception Class:

Please ask your child what activities s/he would like to do in his/her new class and write them in the speech bubbles.

My child's development so far:

Please complete this section **honestly**. It will help us to understand your child's developmental starting points. We do not expect your child to be doing all that is listed.

Your comments will enable us to plan activities which are appropriate to your child's stage of development when s/he joins the Reception class.

Thank you

Mrs. Neville
