Wild Gardening Club – Survival Club Years 5 + 6

Dear Parents / Carers,

Wild Gardening Club – where we work on various projects around the school grounds – is back! We will be using simple tools under adult supervision and trying out skills such as den building and fire lighting. While the focus will be on survival skills there will be some preparation work to do in the area which is where the wild gardening comes in.

The club will run on Thursdays after school till 4:30 pm. **First week 2nd March, last week 30th March.** After the Easter holiday, the theme of the club will change and a new letter will be sent out.

This club is for Year 5 and 6 children only. If interest is a high priority will go to year 6s, with any year 5s being guaranteed a place next time the club takes place. **You will receive a text message if your child has a place.**

Children will need to bring in rough trousers and wellies and either coat or sunhat depending on the weather. Please do not dress in anything you or your child would be upset about getting dirty.

At 4.30, please collect your child from the infant playground. Please wait at the inner black gate until the club arrives for dismissal.

Many thanks,
Mr. Mulholland

Please reply by Friday 17th February using this electronic form:
