

Headlands Primary School: Monday 9th January 2023

Attendance

Good attendance is extremely important to enable your child to learn and achieve. Being in school every day allows consistency in their learning and helps them develop confidence and friendships.

Last term the school had an overall attendance figure of 96.32% which is above the National figure of 94% for State funded Primary Schools. At Parents Evenings we will share and celebrate your child's attendance.

Encouraging and promoting good attendance is important for your child's wellbeing as well as academic development.

Maths workshops

Don't forget to book a place on our Maths Workshops run by your child's Maths teacher starting at 3.45 pm. Places are limited so you will need to reserve a place for attendance:

<https://forms.office.com/e/SyYveS1EQc>

We hope the Maths workshops will be a lovely way to share and celebrate the love of maths!

- **Y5/6 on Monday 16th January**
- **Y3/4 on Tuesday 16th January**
- **EYFS on Wednesday 18th January**
- **Y1/2 on Thursday 19th January**

York Music Hub: Bursaries now available

York Music Hub is refreshing its Bursary schemes for the New Year in order to reach more children and young people whose circumstances may be a barrier to their musical progression.

From this month (January), any child in a York school eligible for Pupil Premium will be able to hire an instrument, and to join an approved ensemble out of school, at no cost to them. Parents/carers will be able to apply via the Bursary Scheme page on our website: <https://www.yorkmusicclub.org.uk/>

Safeguarding: Contact details

Please remember that with any new mobile phones received over Christmas you may need to inform the office of your new number and email address. We need an up to date emergency contact number at all times.

Please also note that children are **not** allowed mobile phones, smart watches or any other devices which connect to the internet or are able to take photographs in school.

E-safety

Please remember to check that on all devices at home, parental settings are activated for children. <https://www.internetmatters.org/childrens-online-safety-this-festive-season/>
