## Maths Parent Workshops

Dear Parents and Carers,

Following the success of last year's event, we would like to invite you to a maths parents' workshop to have fun with maths and learn more about the number work that we do in school. We hope that each child will bring a parent or grandparent.

The workshops will be held after school **in your child's maths class** starting at 3.45 pm after the end of their usual school day. Please enter through the main school entrance. Each phase will have a separate day for their event, a text message will be sent to all Year 1/2 parents to inform them which Maths Workshop they need to book for their child.

*Y5/6 on Monday 16<sup>th</sup> January,  
Y3/4 on Tuesday 17<sup>th</sup> January,  
EYFS on Wednesday 18<sup>th</sup> January  
Y1/2 on Thursday 19<sup>th</sup> January.*

We anticipate that each child will bring one adult with a maximum of three seats being allowed. These will need to be requested online, as the capacity will be limited. All workshops will last no longer than 45 minutes. Please request a place for each person attending with you (including for children). It will not be possible for children to attend unaccompanied. Additional adults or siblings will need to have a seat.

Please complete this form to request your seats before 9 am on Wednesday 11th January for your child's Maths Workshop. **One form should be completed per child.**

<https://forms.office.com/e/SyYveS1EQc>

Please note that there will be no admittance without having completed this form. **Text messages will be sent out to confirm the booking of the requested seats.**

We anticipate that the workshop will be a lovely way to share and celebrate the love of maths!

Best wishes,  
Diane Long.  
(Maths Subject Leader)
