Friday			

Music Instruments and Band Tuition – Monday in school time

Please note parents will not be allowed in the school building. If your child is arriving for a morning club, please wait with your child on the path outside the main entrance, where the coach will meet you. Parents must wait with their children and arrive on time since late arrivals cannot be catered for. The coaches will ensure the children go to class afterwards.

After school clubs will begin with the coach collecting the children from the infant playground as the children line up (or from the decking in Key Stage Two). Parents will not be allowed on site to supervise changing or to spectate. When the clubs finish, please arrive on time. Dismissal will be the same as the usual end of the school day. Parents will wait at the infant gate and loop round the line, collecting their child(ren).

The coaches are looking forward to welcoming your children back. If you have any questions, please contact the coach directly.
