School ethos and values

This half term we are focussing on the value **RESPECT**.

Over the next week we will be exploring the word '**Equality**' in our time of class reflection and school assemblies.

World Mental Health day

Thank you to everyone who has joined us in celebrating '**World Mental Health day**' and for any voluntary contributions to mental health resources for school.

Today we have looked at how to keep our minds healthy as well as our bodies.

More information about this global awareness day can be found at www.mentalhealth.org.uk

Flu vaccinations

The flu vaccine will be offered to all primary school and SEND children up until the day before their 18th birthday this year. Nasal flu vaccination is delivered in school. There are some occasions where an

injection is the most appropriate route for vaccination for some children. The consent form that the link below takes you to is for Nasal Flu, if you select NO, you will be asked a series of questions to establish if your child is eligible for an injection.

School Name: Headlands Primary School

School CODE: HD121367

Session Date: 29th November 2022

Last date to consent is 7 days before the session date.

Please complete the link below to give consent. If you do not want your child to receive the vaccine then you can select the 'NO' option on the consent form.

<https://www.hdftsais.co.uk/Forms/Flu>

After you have finished, if you change your mind or need to tell us about changes to your child's medical history, do not complete another consent form. Please visit www.hdftsais.co.uk/Contact to contact the immunisation team and tell us about any changes.
