## Wild Gardening Club – 'Pollinator Patrol' Years 1 + 2

Dear Parents / Carers,

Wild Gardening Club – where we work on various projects around the school grounds – is back! We will be using simple tools under adult supervision and trying out skills such as scything and planting. The focus will be on creating good habitats for pollinators – any spare/unwanted supplies from home are very welcome!

The club will run on Mondays after school till 4:30 pm. **First week 19th September, last week 5th December.** You will receive a text message if your child has a place.

If the club is over-subscribed, names will be drawn out of a hat and unsuccessful children will have priority next term. Children will need to bring in rough trousers and wellies and either coat or sunhat depending on the weather. Please do not dress in anything you or your child would be upset about getting dirty.

When the club finishes, please arrive on time. Dismissal will be the same as the usual end of the school day. Parents will wait at the infant gate to collect their child(ren).

Many thanks,  
Mr. Mulholland
