School Council Elections

Dear Parents/Carers,

The children in Year One and Two have again been invited to join our Headlands' School Council. If your child is interested in being their class representative, they will need to prepare a **short verbal presentation** explaining why they would be the best person for the job. Each of the classes will elect two candidates (a Year One and a Year Two) based on what they have heard. The successful candidates from each class will then be responsible for putting forward their class's views to the full school council meetings that will take place during the school day approximately once every half term.

Below is a list of attributes that candidates might like to consider when they prepare their presentation.

A Key Stage One school council member should be:

- Hard working
- Kind
- Confident
- Reliable
- Articulate

Election speeches will need to be ready for the morning of **Thursday 15th September**. After listening to each presentation at some point during the day, voting will take place and school council members elected.

Good Luck

The Key Stage One Team
