Walking home end of the day for KS2 children (Year 3 to Year6)

Dear Parents/ Carers

As children become older and more independent, some parents prefer their children to walk home/leave the KS1 playground on their own at the end of the school day.

If you wish your child to walk out of the school gate at the end of the school day unaccompanied you must **confirm this in writing** by completing a new online form prior to starting the new term regardless of whether consent was given last year.

Please note:

Submitting the form gives permission for the entire School year 2022-2023 for your child to leave through the school gate alone.

For changes in pick-up arrangements, please email the office in advance, for emergency changes ring the office.

Please remember it is your parental responsibility for the safety of your child once the school day ends.

On Tuesday 6th September – only children with permission given by 10 am will be allowed to walk out alone, please fill in and submit the form below.
