Dear Parents,

We are delighted to pass on the great news that we; Total Sports, will be running our Morning and After School Care Club throughout the school year at Headlands Primary School in September.

Our aim is to deliver quality childcare within a fun, friendly and safe environment. Our programme of activities and the atmosphere of the after school care provision aims to encourage confidence, independence, and enjoyment. Our core aim is to enable children to develop their emotional, social, cognitive, interpersonal, and physical skills, and their desire to explore, discover and be creative.

We started half way through the school year and made sure we staffed the clubs as under the previous company, it was unable to find the staff to offer Headlands the services they required. We understood their plight as in the current situation there is a staffing shortage for such roles. We have however, been open ever since and have had a team in place to ensure families have a service to help balance work and life.

“Inspire, Learn, Fun, Grow”

What should you expect from September 2022 ?

Although we are, “Total Sports”, our core values are, “Inspire”, “Learn”, “Fun” and “Grow”. The After School Care Club will allow your children to be cared for, whilst having a range of activities to do each evening after school. There will be a mixture of activities to meet the varying interests of children.

We will have use of “The cabin” ,playing fields and playground as usual.

We will provide a variety of activities for the children daily including :

Painting
Board Games
Outdoor Games
Craft Activities

We are now in a position to offer a healthy morning and evening snack:

Breakfast Care Club - cereal or toast, as well as a drink too.

After School Care Club – A health snack menu and drink.
