Welcome to Year One and Two

Dear Parents/Carers

It has been lovely to welcome the children back to school this week; they have been a credit to themselves and to you.

This week has been all about getting to know each other, sharing expectations and becoming familiar with routines. We have already made a start with our reading, writing, phonics and science and have introduced the children to this half term's topic 'Castles and Kingdoms.

Whilst we have read with all of the children this week, we have made the decision not to send any books home until next week. By Friday 15th September, all children will have brought home two **reading** books accompanied by more information regarding reading expectations and routines.

Spelling books and information regarding spelling routines will follow by the end of Week Three.

Weekly **maths** homework will begin after October half term; information will again follow closer to the time.

We hope by staggering both the information we send out to you and the tasks your child will be expected to complete should make things a little more manageable for all our families as we settle back into 'school mode'

Kind regards,

Key Stage One Team
