## parents forum

Everyone has queries or 'niggles' from time to time and whilst they may not be urgent, getting them resolved may be an important factor in how happy your child is in school.

The Parents' Forum is a group of parents with children at Headlands of all ages. We usually meet once a half term to discuss issues, queries and share positive feedback raised by other parents. Our aim is to work together with school to help make Headlands the best it can be for our children.

If you have something you would like us to discuss on your behalf you can either look out for a member of the Parents' Forum or send an email to
