Year 6 Residential to Northumberland 2024

Dear Parents and Carers,

We are all looking forward to the Year 6 Residential to Northumberland in June 2024 and the children are excited at the prospect of getting away for days of fun and adventure.

Residentials offer children the opportunity to develop both their personal characteristics, and emotional and physical skills. In past years it has been a very rewarding and memorable experience for the children.

The cost of the residential has now been finalised at **£310**.

We would therefore now ask that payment of **£255** is made as the deposit of £55 has already been made. Although many families pay this as a single payment, we are acutely aware of the rising cost of living and therefore you will be able to pay the outstanding balance of £255 *in installments* on School money, by cheque or cash.

The deadline for payment is 28th April 2024.

In order for school to confirm and make its final payments, could you please contact the office by 22nd December 2023 if your child no longer wants to attend the residential.

An information evening is planned for **Tuesday 23rd April 2024 at 6.00 pm** and we look forward to sharing with you the activities your child will be undertaking.

Best wishes,
Mr Bromley
