

## Year 1 and 2 Christmas Production Costume Request: Santa's Hat

Dear Parents/Carers,

We are now well under way with rehearsing, the props are being gathered, the backdrops is being unpacked and all we need now are the costumes! We have tried where possible to either re-use or adapt costumes from previous productions, but as we're sure you'll understand we cannot provide costumes for everyone. We would greatly appreciate it if you could look at the costume list below and if it applies to your child, start gathering. If you have any questions, please don't hesitate to contact us through the usual channels. In the interests of safety, all children will be expected to go on stage with bare feet.

As has become customary, we will be taking photographs of the children who have been given consent, prior to the final dress rehearsal. To that end, we would like all costumes to come into school by **Monday 4th December**. Please make sure costumes come in on a named hanger or in a named bag. They will then remain in school until after the final performance.

Many thanks for your continued support.  
The Key Stage One Team

Role	Whole/part of costume provided by school	Items required from home
