## **Santa's Hat Casting and Words to Learn**

Dear Parents/Carers

Our auditions are now complete and we were amazed by the number of children who put themselves forward. The standard and confidence of all those who auditioned was extremely high this year but everyone did themselves proud. We would therefore like to take this opportunity to thank you for the support you gave them in preparation, especially when lives are so busy!

We have now finished the very difficult job of allocating roles and those with speaking parts including the announcer and narrators will bring their lines home on Friday. If your child has not been allocated a speaking part, they will still have an integral role to play in our production and will get their moment to shine on stage. All children whether they have a speaking role or otherwise will have been told what part they will play on Friday.

Rehearsals begin next week so if your child has lines to say, please remind them to bring them to school every day and help them to learn them as quickly as possible.

We will email our costume request letter in due course.

Kind regards,

Key Stage One Team
