

Headlands Primary School: Monday 26th February 2024

Spring Term Parents evening appointments

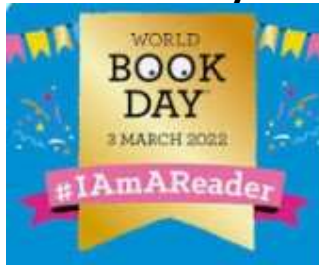

Thank you for booking your ten minute parent evening appointment via the online booking system. We are looking forward to seeing you at your designated appointment with your teacher to discuss your child's attainment and progress, and highlight areas which we can work on together.

For children in Year 1-6 writing and maths books will be placed outside the classroom. If you wish to view the books, please arrive five minutes beforehand. At your designated appointment time, please take your child's books into the classroom and hand them over to the teacher. As work is continuously shared on Seesaw in EYFS and due to the practical nature of the setting, there will be no books to view, so please arrive at your appointment time.

Key Stage 1 parents are asked to enter and exit via the KS1 playground entrance, Key Stage 2 parents may enter and exit through the main school entrance. For EYFS appointments please enter and exit through the EYFS door off the KS1 playground.

To avoid congestion in our narrow corridors, we would politely request that you wait outside the school building until your allotted time.

World Book Day: Thursday 7th March

This year we focussed on 'Story telling week' in January with events in school and our 'Pjamarama' event held for the children. We had a wonderful week with special guest readers, book swaps, competitions, special assemblies, teacher swap reads and the whole school undertaking 'stop and read' activities. It was a great week and enjoyed by everyone.

We are therefore going to alternate between Story Telling Week and World Book Day so that each may have a special focus within our curriculum. Consequently this year World Book Day will be low key. Celebrations will still be happening in school on Thursday 7th March to mark the occasion, however, we will not be asking children to dress up as a character from their favourite book. Keep the fantastic costumes ready for next year! National Book Tokens will be sent home as usual so that you are still able to purchase the special World Book Day books for free.

School Council fundraiser for Comic Relief: Friday 15th March

School Council are inviting all children to join in with 'Odd Shoe Day' to raise money for Comic Relief.

We are swapping traditional 'red noses' for 'odd shoes' so that everyone may be involved so please leave any red noses at home.

Voluntary contributions may be made on our Headlands 'Just Giving' page:

Medicines in School

Prescribed medicines (**including hay fever medication**) should only be brought into school when absolutely essential. Where possible parents/carers should ask for dosage frequencies to be taken outside school hours. Please hand in any prescribed medication to the school office.

Please refer to our Administration of medicines policy for information:

SEND Survey

The council is asking stakeholders and parents of children with Special Educational Needs and/or Disabilities to take part in a survey to improve the SEND provision.

This survey will inform our current Joint Strategic Needs Assessment and Joint Commissioning Strategy whilst helping us to understand what is working well and what changes can be made in regards to the Special Educational Needs and/or Disability system. We ask that you complete the survey honestly, and support us with practical examples of how you feel we can make positive changes to our system.

The survey is found using the following link:
